A leadership program designed to equip you with work-readiness skills and help prepare you for the future! Each CIT/Jr Staff will partner with a cabin counselor to assist our Camp Bovey team in providing a high quality experience for youth ages 8 – 14.

What will I benefit and gain from this experience?

- Experience working with youth.
- Something that you can add to your resume.
- The ability to connect with other adult educators.
- An opportunity to learn new skills.
- Build relationships with a potential employer.
- Receive a recommendation for your next job.
- Have volunteer hours to showcase for school or a scholarship.

What will I be doing?

Your role will include assisting the adult counselor with facilitating weekly activities and supporting youth in each cabin group. Activities may include swimming, hiking, team games, canoeing, fishing, archery and most importantly being a positive role model! You will also have an opportunity to lead games or cabin activities. You may be working with individual youth, demonstrating a skill, encouraging youth's effort and simply being a support to the adult staff and positive role model for the younger youth. You will have time off for yourself to explore, create and relax!
